SURVEY AND PARTICIPANT LIST

You will receive a survey and list of participants (name and organization) via email a few days after the forum. Please complete the survey to make STCF even more successful in the future.

MASK POLICY

Consistent to CDC guidelines, (as of April 25, 2022), masks are optional in areas of low transmission for fully vaccinated or non-vaccinated individuals. Ohio transmission levels are low and masks will be optional at STCF 2022 for all attendees to include fully vaccinated attendees and non-vaccinated attendees.

THANK YOU TO OUR SPONSORS

REGISTRATION SPONSOR

With 38 years of experience, ASI develops cutting-edge simulators for defense customers globally. We support the B-1B, T-38C, T-1A, A-10C, and Remote Instructor Station programs.

BREAK SPONSOR

FSI Defense, a FlightSafety International company, provides full-flight simulators, advanced mission-training programs, virtual maintenance training, visual systems and displays enhancing pilot safety and ensuring proficiency.

LANYARD AND RECEPTION SPONSOR

SimX brings virtual reality to medical simulation training. With its completely immersive environments, SimX is used to train military personnel, EMS professionals, physicians, nurses, and other allied health professionals in a variety of military, medical, and emergency scenarios. Furthermore, the platform allows medical teams to replace expensive manikins with a low-cost wireless VR headset and an incredibly flexible virtual patient.

PROJECTOR SPONSOR

STCF projectors kindly provided by Treality SVS.
